

Is There Anything **Left**  
**You** Can **Trust?**

Amazing Facts  
Study Guide

**In** these morally challenged times—when billions are embezzled through corporate fraud; when trusted, spiritual leaders prove false; when lying in politics seems to be the norm; when those you depend on the most often hurt you the deepest—is there anything left you can trust? Yes! You can fully trust the Bible! Why? Just take a look at the evidence ...

The Bible is not a collection of men's ideas. Its writers were guided by the Holy Ghost.

## 1. What does the Bible claim about itself?

The Bible says, "All Scripture is given by inspiration of God" (2 Timothy 3:16). "Prophecy never came by the will of man, but holy men of God spoke as they were moved by the Holy Spirit" (2 Peter 1:21). "The Scripture cannot be broken" (John 10:35).

**Answer:** It claims to be inspired. It was written by men who were guided by the Holy Ghost. It cannot be broken or proved untrue.

Jesus quoted the Bible and stated that it was true.

## 2. How did Jesus demonstrate His confidence and belief in Scripture?

Jesus said, "It is written: 'Man shall not live by bread alone' ... "It is written again, 'You shall not tempt the LORD your God' ... "For it is written, 'You shall worship the LORD your God, and Him only you shall serve'" (Matthew 4:4, 7, 10). "Sanctify them by Your truth. Your word is truth" (John 17:17).

**Answer:** Jesus quoted Scripture when meeting the temptations of Satan. He also stated that the Bible is truth (John 17:17). Jesus often quoted Scripture as authority for the truth He was teaching.

## 3. Do Bible prophecies confirm inspiration?

The Bible says, "I am the LORD ... new things I declare; before they spring forth I tell you of them" (Isaiah 42:8, 9). "I am God ... Declaring the end from the beginning, and from ancient times things that are not yet done" (Isaiah 46:9, 10).

**Answer:** Bible predictions of things to happen in the future confirm the inspiration of Scripture as they come to pass. Notice the following examples of fulfilled Bible prophecies:

- A. Four world empires to arise: Babylon, Medo-Persia, Greece, and Rome (Daniel chapters 2, 7, 8).
- B. Cyrus to be the warrior to capture Babylon (Isaiah 45:1-3).
- C. After Babylon's destruction, it would never be inhabited again (Isaiah 13:19, 20; Jeremiah 51:37).
- D. Egypt would never again have a commanding position among the nations (Ezekiel 29:14, 15; 30:12, 13).
- E. Earth-shaking calamities and fear toward the end of time (Luke 21:25, 26).
- F. Moral degeneracy and decline of spirituality in the last days (2 Timothy 3:1-5).

Before Cyrus was born, God's Bible prophet named him as the general who would overthrow Babylon.

## 4. Can we expect scientific statements made in the Bible to be accurate?

The Bible says, "The entirety of Your word is truth" (Psalm 119:160). "The Spirit ... will guide you into all truth" (John 16:13).

**Answer:** Yes, the Bible is true. The Holy Spirit, who guided the Bible writers, always speaks the truth. Here are a few Bible statements that have been confirmed by science:

- A. "He hangs the earth on nothing" (Job 26:7). This scientific fact is from Job, the Bible's oldest book.
- B. "He ... sits above the circle of the earth" (Isaiah 40:22). The Bible said the earth is round centuries before man found out.
- C. "To establish a weight for the wind" (Job 28:25). Long before scientists knew, God said air has weight.
- D. "In Him [Jesus] all things consist" (Colossians 1:17). The word "consist" here literally means "hold together" or "cohere." Many Bible translations put it "hold together." This is the answer to the nuclear physicists' worrisome question about the atom. The real mystery of the atom does not involve its numbing mega-power, but rather, "Why doesn't the atom fly apart?" Scientific knowledge says it should, but it doesn't. Some scientists are wondering what puzzling power, completely unknown to them, is holding it together. The Bible says that mysterious power is the Creator, God Himself.

## 5. Are biblical health principles tuned to the twenty-first century mind?

**Answer:**

### A. Cover body waste with dirt

(Deuteronomy 23:12, 13). The Bible provision of Moses' day that body waste would be buried outside the camp was thousands of years ahead of its time. When human waste is not properly buried, diseases can be quickly spread to untold thousands through the water supply or not washing one's hands. This Bible fact continues to save millions of lives.

### B. "Nor let us commit sexual immorality"

(1 Corinthians 10:8). The word fornication denotes all kinds of immoral sexual conduct (see Leviticus 18 for a comprehensive list). When the clear counsel of the Bible is followed people have little or no problems with sexually transmitted diseases such as Syphilis, Gonorrhea or AIDS. Additionally the temptation to abort unwanted pregnancy would be essentially non-existent.

### C. Leave alcoholic beverages alone

(Proverbs 23:29-32). If this extremely effective Bible solution were implemented, just think what it would mean:

The use of alcohol has brought untold woe to many people.

1. Millions of alcoholics becoming sober, respectable citizens.
2. Millions of families reunited.
3. Millions of broken homes mended.
4. Multiplied thousands of lives saved by sober driving.
5. Thousands of government, business, and professional leaders making clear-minded decisions.
6. Billions of dollars available for humanitarian use.

**Note:** God not only tells us how to succeed with joy amid today's harrowing problems, but He also gives us the miraculous power to do it (1 Corinthians 15:57; Philippians 4:13; Romans 1:16). Bible health principles are relevant and desperately needed, but few are listening. (For more on health, see Study Guide 13.)

Many diseases would not exist if God's ancient laws regarding morality were obeyed.

## 6. Are the historical statements of the Bible accurate?

The Bible says, "I, the LORD, speak righteousness, I declare things that are right" (Isaiah 45:19).

**Answer:** Yes, Bible historical statements are accurate. What God says in His book is true. Sometimes, temporarily, evidence may not be found to substantiate certain historical facts from the Bible, but in time the evidence surfaces. Note the following:

**A.** For years skeptics said the Bible was unreliable because it mentions the Hittite nation (Deuteronomy 7:1) and cities like Ninevah (Jonah 1:1, 2) and Sodom (Genesis 19:1), which they denied ever existed. But now modern archaeology has confirmed that all three did, indeed, exist.

**B.** Critics also said that Bible-mentioned kings Belshazzar (Daniel 5:1) and Sargon (Isaiah 20:1) never existed. Once again, it has now been confirmed they did exist.

**C.** Skeptics also said the Bible record of Moses was not reliable because it mentions writing (Exodus 24:4) and wheeled vehicles (Exodus 14:25), neither of which they said existed at the time. They, of course, know better today.

**D.** At one time the 39 kings of ancient Israel and Judah who reigned during the divided kingdom were authenticated only from the Bible record, so critics charged fabrication. But then archaeologists found cuneiform records that mentioned many of these kings and, once again, the Bible record was proved accurate. Critics have repeatedly been proved wrong as new discoveries confirm biblical people, places, and events. It will always be so.

Ancient artifacts unearthed by archaeologists repeatedly confirm the accuracy and truth of the Bible.

## 7. One of the greatest miracles of the Bible is its unity. Please ponder the following amazing facts:

### A. The 66 books of the Bible were written:

1. On three continents.
2. In three languages.
3. By about 40 different people (kings, shepherds, scientists, attorneys, an army general, fishermen, priests, and a physician).
4. Over a period of about 1,500 years.
5. On the most controversial subjects.
6. By people who, in most cases, had never met.
7. By authors whose education and background varied greatly.

### B. Yet, though it seems totally inconceivable,

1. The 66 books maintain harmony with each other.
2. Often new concepts on a subject are expressed, but these concepts do not undermine what other Bible writers say on the same subject.

**C. Talk about astounding!** Ask people who have viewed an identical event to each give a report of what happened. They will differ widely and will virtually always contradict each other in some way. Yet the Bible, penned by 40 writers over a 1,500-year period, reads as if written by one great mind. And, indeed, it was: "Holy men of God spoke as they were moved by the Holy Spirit" (2 Peter 1:21). The Holy Spirit "moved" them all. He is the real Bible Author. The four Gospels do sometimes differ in the way they report the same event, but they complement each other.

## 8. What evidence of Bible inspiration is found in the lives of people?

**The Bible says, "Therefore, if anyone is in Christ, he is a new creation; old things have passed away; behold, all things have become new" (2 Corinthians 5:17).**

**Answer:** The changed lives of those who follow Jesus and obey Scripture constitute the most heartwarming proof of Bible inspiration. The drunkard becomes sober; the immoral, pure; the addicted, free; the profane, reverent; the fearful, courageous; and the rude, kind.

*Accepting Christ and obeying Scripture changes a drunken, immoral, profane sinner into a loving, sober, pure Christian. Skeptics cannot explain this fact.*

An American skeptic was visiting an island whose natives were originally cannibals. When he spotted an old man reading the Bible, he ridiculed him for reading a book "full of myths which had already been exposed." The native smiled at him and said, "My friend, be grateful we do believe this book. Otherwise, we would be serving you for dinner." The Bible really does change people, and this amazing fact confirms its inspiration.

*Christians have an inner joy and peace that others do not possess.*

## 9. What evidence for Bible inspiration emerges when we compare Old Testament prophecies of the coming Messiah with New Testament happenings in the life of Jesus?

The Bible says, "And beginning at Moses and all the Prophets, He [Jesus] expounded to them in all the Scriptures the things concerning Himself" (Luke 24:27). "For he [Apollos] vigorously refuted the Jews publicly, showing from the Scriptures that Jesus is the Christ" (Acts 18:28).

**Answer:** The Old Testament predictions of the Messiah to come were so specific and so clearly fulfilled by Jesus of Nazareth that both Jesus and Apollos used these prophecies to prove to the Jews that Jesus was, indeed, the Messiah. There are more than 125 of these prophecies. Let's review just 12 of them:

Prophecy	Old Testament Scripture	New Testament Fulfillment
1. Born in Bethlehem	Micah 5:2	Matthew 2:1
2. Born of a virgin	Isaiah 7:14	Matthew 1:18-23
3. Of David's lineage	Jeremiah 23:5	Revelation 22:16
4. Attempted murder by Herod	Jeremiah 31:15	Matthew 2:16-18
5. Betrayal by a friend	Psalms 41:9	John 13:18, 19, 26
6. Sold for 30 silver coins	Zechariah 11:12	Matthew 26:14-16
7. Crucified	Zechariah 12:10	John 19:16-18, 37
8. Lots cast for His clothes	Psalms 22:18	Matthew 27:35
9. No bones broken	Psalms 34:20; Exodus 12:46	John 19:31-36
10. Buried in rich man's tomb	Isaiah 53:9	Matthew 27:57-60
11. Year, day, hour of His death	Daniel 9:26, 27; Exodus 12:6	Matthew 27:45-50
12. Raised the third day	Hosea 6:2	Acts 10:38-40

Jesus fulfilled more than 125 Old Testament prophecies concerning the Messiah.

Dr. Peter Stoner, former chairman of the departments of mathematics, astronomy, and engineering at Pasadena College (California), worked with 600 students for several years applying the "principle of probability" to the prophecies of the Messiah's coming. They chose just eight from the many available and finally decided the chances of all eight being fulfilled in one man in a lifetime is one in 1,000,000,000,000,000,000,000,000,000,000. What would the odds be on the more than 125 prophecies of the Messiah? It couldn't just happen!

## 10. What great advantage does a person have who accepts the Bible as God's inspired word?

The Bible says, "I understand more than the ancients, because I keep Your precepts" (Psalm 119:100). "You ... make me wiser than my enemies" (Psalm 119:98). "For as the heavens are higher than the earth, so are ... My thoughts [higher] than your thoughts" (Isaiah 55:9).

**Answer:** A person who accepts the Word of God will soon know the answers to many complex challenges that secular scholars may never figure out. For example, the Bible teaches:

- A. God created the earth and all living organisms in six literal, 24-hour days (Exodus 20:11; Psalm 33:6, 9).
- B. A worldwide flood destroyed every living thing except the sea life and what was inside Noah's ark (Genesis chapters 6, 7, 8).
- C. The different languages of the world began at the Tower of Babel (Genesis 11:1-9).

God, who has always existed and knows

everything, shares the above three truths with us, recognizing that we could never figure them out on our own. We know only "in part" now (1 Corinthians 13:9).

And God's knowledge is "past finding out" (Romans 11:33). According to the chronology of the Bible, the earth's age is thousands of years, not millions. This confounds evolutionists, but it shouldn't. The Bible indicates that God created Adam and Eve as

full grown. The couple was only one day old on their second day of life, but they were mature. Couldn't He have done the same thing with the earth? Of course! Man's measuring instruments cannot allow for apparent age. In such cases, they are not trustworthy. Believe the Bible, and you will always be ahead of the speculation of secular scholars and the worldly-wise.

The Bible teaches that the earth was created in six literal days.

The Bible account of the Flood provides the answers secular scholars are searching for.

## 11. What recent happenings have brought the power and appeal of the Bible into sharp focus?

**Answer:** The increasing number of natural disasters and the rise of worldwide terrorism are signs predicted by the Bible. The Bible predicted that at the end of time, “On the earth distress of nations,

*The Asian tsunami of 2004 was one of the deadliest natural disasters of modern history*

with perplexity, the sea and the waves roaring” (Luke 21:25). The Asian tsunami of December 26, 2004, is just one example. Over 250,000 people were reported dead or missing in what was one of the deadliest natural disasters of modern history. A year later, Hurricane Katrina ripped through New Orleans. The hurricanes and water disasters since then remind us of the prophetic power of Jesus’ words that there would be “waves roaring.”

The Bible also predicted that “nation would rise against nation and kingdom against kingdom” (Matthew 24:7). After the devastating attack on the twin towers on 9/11, people have realized that no nation on earth is secure against those who wish to harm it. The ongoing conflicts in the Middle East and the continuing war against terrorism have brought people back to the Bible.

Some people have questioned the Bible because it speaks of the world being created instead of “evolving.” Jesus predicted that “when the Son of man comes, will he really find faith on the

earth?” (Luke 18:8). The faith-shattering dogma of evolution, however, is now being discredited. We must remember that it is nothing more than an unproved, shaky theory. We will mention three items only: 1. Robert Gentry’s DVD *Creation’s Tiny Mystery* has unsettled many evolutionists with its apparent, clear evidence of instant creation. 2. Molecular biology’s recent demonstration that the single cell is vastly and irreducibly complex makes the accidental origin of life in a single cell an absurdity. 3. The widely different ages now being assigned to the Grand Canyon layers by current scientific measurements, as opposed to those assigned previously, make evolutionists and their prior measurements seem reckless and irresponsible. The atheistic theory of evolution that humans and apes came from common ancestors scorns the concept that people were created in the image of God. It denies

the existence of God, totally disavows Jesus as Savior, negates the Bible, and ridicules the truth of an eternal home in heaven.

*True science is always in harmony with the Bible because God is the author of both.*

The collapse of evolution and the fulfillment of Bible prophecy are to establish your faith in the Word of God. Don’t be fooled by the devil’s tactics!

*The Bible has universal appeal because it provides clear answers to life’s most perplexing questions.*

## 12. Why does the Bible have such universal appeal?

The Bible says, “Your word is a . . . light to my path” (Psalm 119:105). “These things I have spoken to you . . . that your joy may be full” (John 15:11). “In the image of God . . . He created them” (Genesis 1:27). “Let your light so shine before men, that they may see your good works, and glorify your Father in heaven” (Matthew 5:16). “I will come again and receive you to Myself; that where I am, there you may be also” (John 14:3).

**Answer:** Because it answers life’s most puzzling questions:

- A. Where did I come from?** God created us in His image. We did not accidentally emerge as nondescript globs from some primeval slime. We are sons and daughters of God, the Mighty King (Galatians 3:26). We are so precious to God that when Adam and Eve sinned, He gave His Son to die and pay the penalty for our sins so we could be free. He wants to restore us to His image and then, shortly, take us back to Eden, the home Adam and Eve lost.
- B. Why am I here?** Our aims for life today should be to discover the Bible’s wonderful answers to life’s puzzling problems and to accept Jesus’ offer to restore us to His image (Romans 8:29).
- C. What does the future hold for me?** There is no guesswork about the future. Jesus will come very soon to take His people to the fabulous home He has prepared for them in heaven. There, with supreme joy and happiness, people will live forever (John 14:1-3; Revelation 21:3, 4).

## 13. Are you thankful to God for lovingly answering life’s most puzzling questions?

Your Answer: \_\_\_\_\_

# YOUR THOUGHT QUESTIONS ANSWERED

**1** I'm offended that the Bible gives such repugnant, graphic descriptions of sin in recording the lives of some Bible characters. Is this really necessary?

**ANSWER:** Yes. It is one of the great facts that give credibility to the Bible. Most biographies skip or soften the bad and often overstate the good. Telling it like it is gives people confidence the Bible can be trusted; it doesn't cover up. Further, Satan's strategy is to convince people they are such great sinners God cannot or will not save them. What joy sweeps over such people when they are shown Bible cases of people like them (and worse) whom God delivered from sin and justified (Romans 15:4)!

**2** Is all of the Bible inspired? Many believe only parts of it are.

**ANSWER:** The Bible has the answer: "All Scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in

righteousness" (2 Timothy 3:16). The Bible does not simply contain the word of God. Rather, it is the Word of God. The Bible is the information and operations manual for a human life. Ignore any of it and you will have unnecessary difficulties and problems.

**3** The Bible is an ancient book with old-fashioned wording and concepts. Don't you feel it is unsafe to rely on something so far removed from our enlightened day?

**ANSWER:** No. Its age is in its favor. That is, in fact, one of the proofs of its inspiration. The Bible says, "The word of the LORD endures forever." (1 Peter 1:25). The Bible stands as a rock. It is God's book—His Word. It cannot be destroyed. Men and even entire nations have burned, banned, and tried to discredit and destroy the Bible, but instead they discredited themselves. They are gone, and their attacks on the Bible are forgotten. Yet the Bible remains a best-seller, in constant demand. Millions would die for it, if necessary. Its message is God-given and 100 percent up-to-date. Before

you study it, pray and ask God to open your heart as you read.

**4** Some of the most brilliant people in the world, who have carefully studied the Bible, believe no one can understand it. If the Bible is truly God's book, shouldn't everyone be able to understand it?

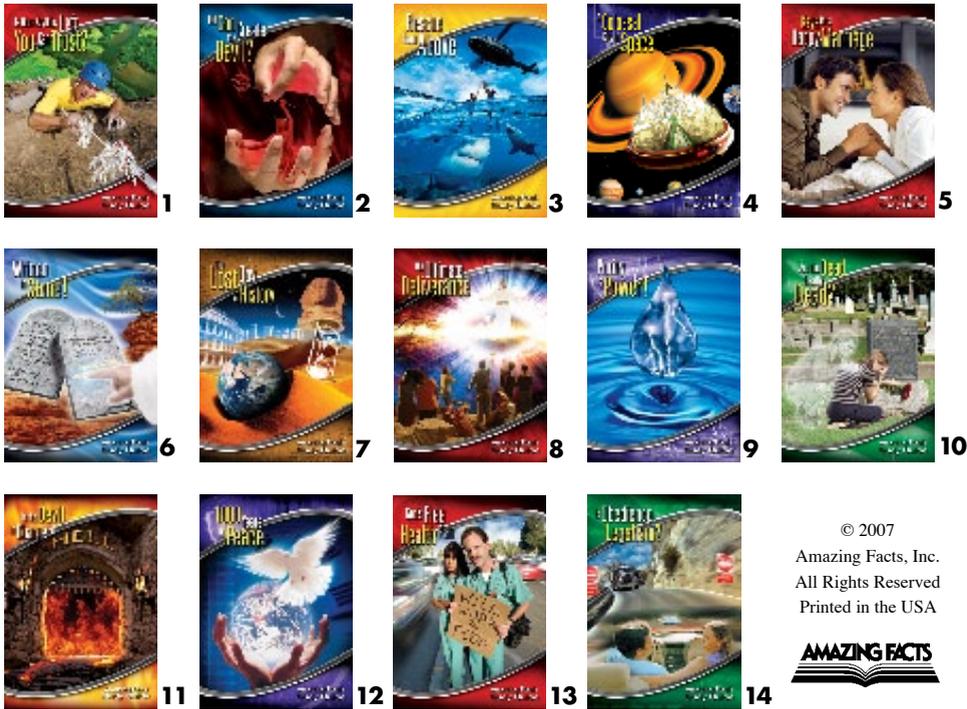

**ANSWER:** Bright people who can understand and explain virtually anything are often quickly stopped in their tracks when they read the Bible. The reason is that spiritual things "are spiritually discerned" (1 Corinthians 2:13, 14). The deep things of the Word will never be understood by a secular mind, no matter how brilliant. Unless one honestly seeks an experience with God, he cannot understand the things of God. The Holy Spirit, who explains the Bible (John 16:13; 14:26), is not understood by the carnal, secular mind. On the other hand, the humble, even uneducated Christian who studies the Bible receives amazing understanding from the Holy Spirit (Matthew 11:25; 1 Corinthians 2:9, 10).

**5** The Bible is full of errors. How can you believe it is inspired?

**ANSWER:** The overwhelming majority of so-called errors in the Bible have been demonstrated to be simply errors of judgment or lack of understanding on the part of those who make the complaint. They are not errors at all, but simply truth misunderstood. The inspired Bible:

1. Will always tell you the truth.
2. Will never mislead you.
3. Can be fully trusted.
4. Is reliable and authoritative, not only in spiritual matters but also in other matters it addresses, including history and science.

Satan is always digging up some supposed flaw in Scripture, which is not surprising. He found fault even with God and heaven. Copyists may have miscopied in some cases, but no such supposed happening or any other alleged error affects the truth of God's Word. Doctrine is built not upon one Bible passage, but upon the total of God's comments on any subject. We are unaware of any alleged error of any kind that would affect the truthfulness of the content of Scripture. Some things in Scripture are yet difficult to reconcile. There will always be room for doubt to those who prefer to doubt. We believe that even alleged errors, not yet fully explained, will (as in the past) soon be exposed as false alarms. The harder people work to undermine the Bible, the brighter its light shines.
